- https://github.com/hemendrarajawat/Copy-Salesforce-Code

Tic-Tac-Toe Game (2017 - Present)
- Two players Tic-Tac-Toe game also known as Cross-Zero game made in Turbo C7 by using C Language

Automatic Power Factor Correction Panel (2017)
- Power factor is the ratio of active power to the apparent power. Capacitors are used to compensate the reactive power and switching of capacitors is controlled by Programmable Logic Controller and Supervisory Control & Data Accusation. Multi-Function Meter provides the value of power factor to the PLC. By this, we can both automatically and manually improve the power factor.
